Dear Chair DeLauro and Ranking Member Granger:

I am submitting a Community Project Funding request for the Keokuk County, Iowa Route V5G Pavement Improvement project in Fiscal Year 2023.

The entity to receive funding for this project is Keokuk County, located at 101 S. Main Street, Sigourney, IA 52591.

The funding would be used to improve Route V5G from State Route 149 to approximately 280th Street. This stretch of road is critical to Keokuk County as it is one of only four county routes with crossings over the South Skunk River. This access is imperative for a variety of interests, including but not limited to emergency medical response, fire response, law enforcement, school bus routes, and the movement of agricultural commodities.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Mariannette Miller-Meeks".
